Shreveport, Saturday Morning, Jan. 28, 1865.

CAMDEN, January 27.

New York, Jan. 14.—The World's Washington special says it is rumored in that city that the Peace Commissioners asked permission to cross over the lines, and a reply reached them.

The Times' special says it is reported that Blair has returned from Richmond.

Dates from Mexico to the 28th show that the Republican troops are still giving the imperialists plenty to do.

Between 4,000 and 5,000 of the Emperor's troops have been defeated by the Republicans at Etta.

Throughout Southern Mexico the supporters of Juarez are active.

In one town the Imperial garrison revolted, put the Prefect to death, and joined the Republicans.

The Times' City Point special says the indications are that Lee contemplates some movement. Whether it will astonish the world or not remains to be seen.

The London Times, alluding to the present attitude of the North towards Canada, says in the present state of Northern feeling there is too much reason to apprehend some struggle which may render a rupture inevitable. Americans neither appreciate the strength of England nor understand the unanimity with which war could be prosecuted if forced upon a reluctant government and nation. The first result would be the immediate and irrevocable establishment of Southern independence.

The Tribune's Washington special gives as the opinion of an old hand in peace negotiations that a cessation of hostilities preliminary to formal negotiations will take place in ten days. Tomorrow the hand of a new peace-maker, referring to the draft, doubtless will fall heavily on Jeff. Davis' obstinacy.

Henry S. Foote, M. C. from Tennessee, was

arrested at Fredericksburg on the 12th of January, while attempting to go over to the enemy. President Davis reported the matter to Congress, and Foote is in custody of the War Department.

The New York Tribune says President Lincoln has declared that if Foote is harmed by the rebels he will bring five of the most distinguished rebel prisoners to grief.

Our cavalry are in pursuit of Foote's captors.

The Herald's Washington special says Blair reached Richmond on the 13th, and Gen. Singleton, peace commissioner from Illinois, would reach there on the 20th.

The Nashville Federal State Convention has abolished slavery. Also, Missouri.

Edward Everett is dead.

Rosser's cavalry gained a decisive victory over the Federals at Waverly, Western Va., capturing 800 prisoners, two Colonels, &c.

Hamlin has declared that he will not accept any position in the new Cabinet.

Another expedition has been started out against Wilmington.

Sherman is moving towards Charleston.

Mr. Miles, of S. C. introduced resolutions in the rebel Congress denouncing as revolutionary any attempt at peace making by separate States.

The St. Louis Democrat of the 16th says the report that Lee has sent troops to oppose Sherman has been confirmed, but don't know what numbers.

Richmond papers of the 13th announce the arrival of Blair, and states he had an interview with President Davis.

New York, Jan. 14.—The World's Washington special says President Lincoln will issue a supplementary proclamation after the fall of Charleston increasing the number and grade of officers excluded from amnesty after a certain date, and informing Jeff. Davis and his supporters that if they hold out long enough to compel the raising of another army no amnesty whatever will be given; but if they lay down their arms they will be magnanimously treated.
